

HOLY WAR

- No connection between color of horses and their specific mission
- The Father is sending these out to incite war upon the entire planet
- The Law of Herem
- Rule #1: God makes the rules
- Rule #2: The enemy people and possessions belong to God
- If this bothers us, refer to Rule #1

AN IMAGE WE PREFER

- Christianity uncomfortable with a God who starts wars
- The doctrine is, Jesus is the new God and mercy has replaced severity
- This is false and is idolatry
- If Jesus is only love and peace, then what about when He returns with a sword to war against God's enemies?

Ruach - spirit, wind... and rarely "wrath"

Through the Bible

- Vs. 7 prophesied war throughout our planet
- North and South are emphasized as they are the place of Israel's historic enemies
- **Ruach**: spirit, wind... and rarely "wrath"
- God is sending His presence to the North country, not His wrath

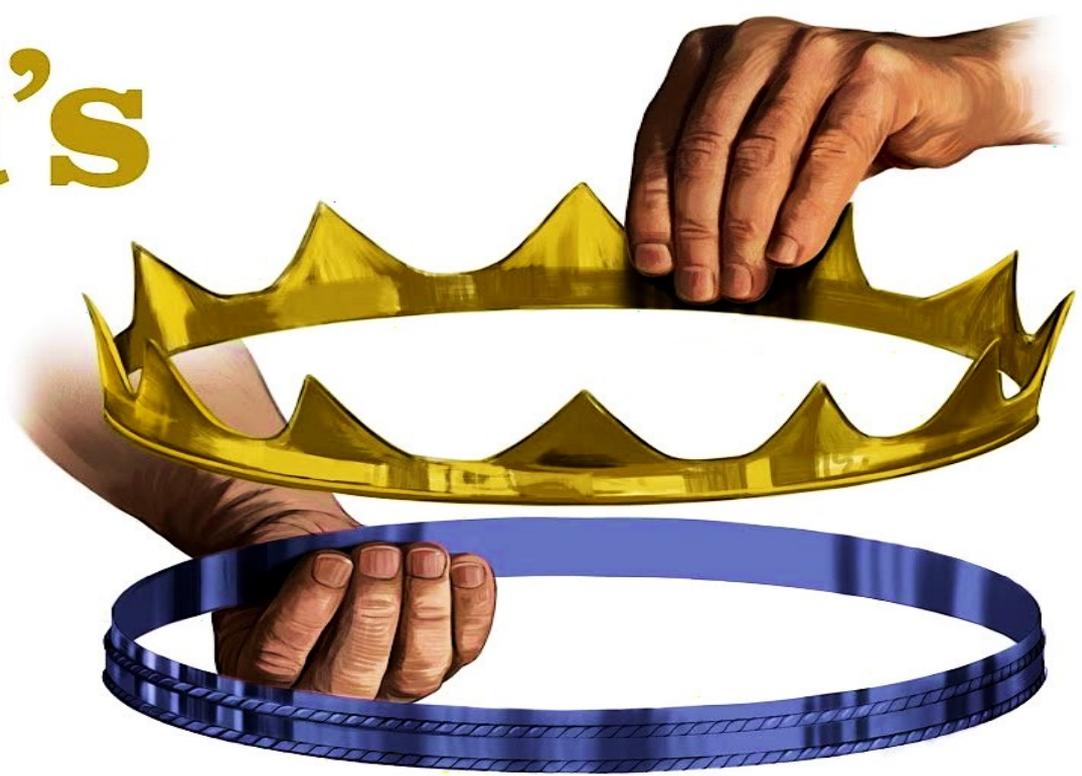

- Vs. 7 prophesied war throughout our planet
- North and South are emphasized as they are the place of Israel's historic enemies
- **Ruach**: spirit, wind... and rarely "wrath"
- God is sending His presence to the North country, not His wrath

“Take gifts from the exiles...”

- Vs. 9, a new prophetic message
- Much ambiguity as to these 3 exiles' identities
- ***Bayyom hahu*** = on that day... immediately
- Contributions to be taken to Yoshiyah son of Tz'fanyah
- The offering was gold and silver that was to be used to make an ornate crown or crowns

Joshua's Dual Crown

- Hebrew word for crowns is *atarot* but singular is *atara*
- Crowns were always made of gold
- A High Priest didn't wear a crown
- Scholars have suggested redactions, copyist errors, and more
- More likely Joshua would have received a silver crown

- Zechariah 6:12
- *Tzemach* = branch, shoot, sprout
- Joshua's and Yeshua's names are pronounced identically
- Politically/socially no way Joshua could wear a crown
- The issue is the symbolism, not the action

- ***Tzemach*** also in Zech. 3:8 – 10
- Joshua typifies the Messiah, just as King David does, but neither ARE the Messiah
- ***Tzemach*** in Zechariah is a future event
- Zechariah 6:12b “...*the Branch shall branch out from the place where he is, and he shall build the Temple...*”
- The Branch (***Tzemach***) will build the Temple, but in Zechariah’s day, it had already been completed

THE 3rd TEMPLE

- Romans destroyed the 2nd Temple
- 2Thessalonians 2:1 – 4
- The Anti-Christ will desecrate the 3rd Temple and it likely will be destroyed
- Later, Yeshua returns, and afterward He will build the 4th Temple... The Millennial Temple
- Zechariah 6:13

MILLENNIAL TEMPLE (4TH TEMPLE)

- The Branch (the Messiah) will sit on the throne
- Two people (King and High Priest) can't occupy the same throne, so it must be the same person
- *Mashal* = rule
- *Melek* = rule
- *Mashal* is used when the king rules over more than his native territory
