

THE SONG OF MOSES: A CANON IN A CANON

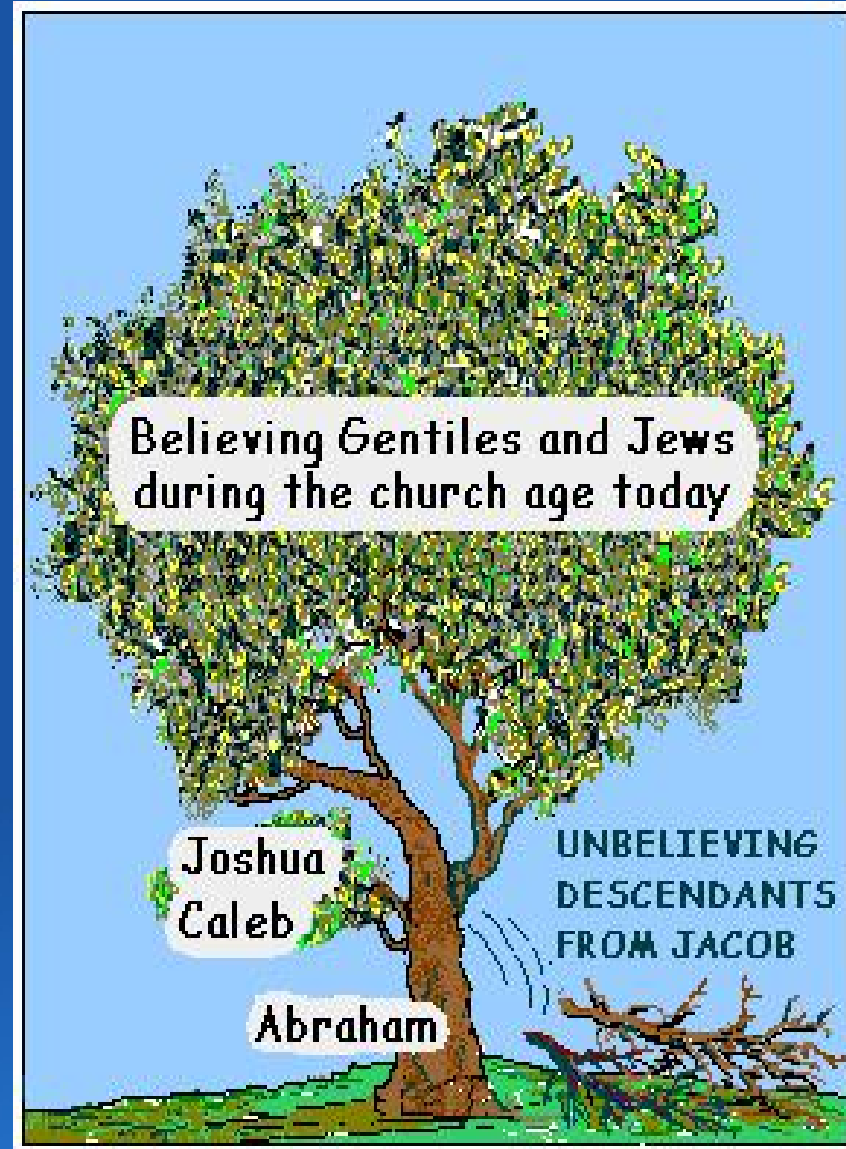

- The Torah stands on the foundation of the 10 Commandments
- The 10 Commandments stands of the foundation of “Love the Lord your God”
- Man’s redemption stands on the foundation of God’s justice system
- Yeshua satisfied the requirements of that justice system

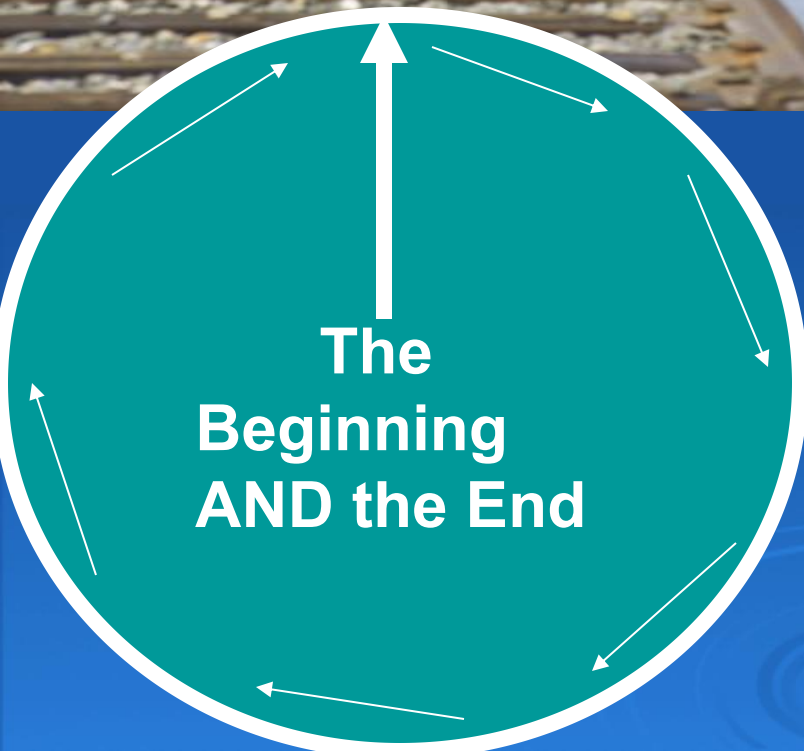

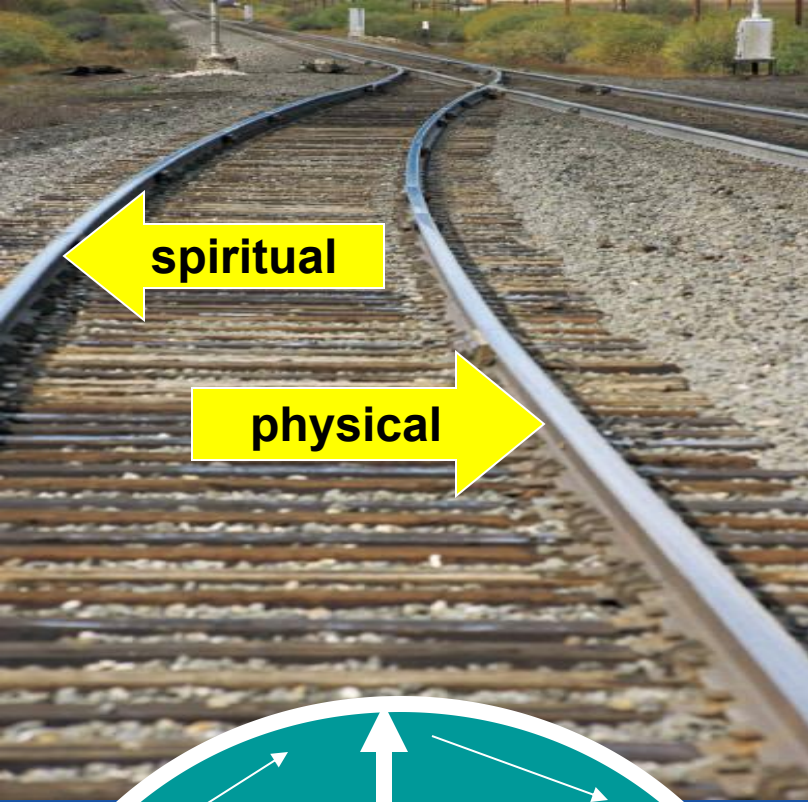

**LOVE THE LORD
YOUR GOD.....**

SONG OF MOSES IS A PERMANENT DIVINE EDICT

- The ONLY way a gentile becomes part of the “church” is to become a grafted-in branch of the original olive tree (Israel) Romans 11
- The olive tree is a metaphor of a spiritual transformation when a human being chooses Messiah and thus joins the people of God

THE REALITY OF DUALITY

- A mysterious connection and parallelism between the spiritual and physical
- Man's history and God's plan are circular
- Originally ALL was spiritual, then came the physical
- Physical and spiritual ran along as a pair of Railroad tracks.....BUT.....the rails are separated!!

REALITY OF DUALITY

REVELATION 15: SINGING “THE SONG OF MOSES”!!

- As God's armies defeat the Beast, they are singing the Song of Moses (Deut.32)
- It is a Victory Song, and a song of remembrance of the promise to wreak wrath on God's enemies AND the apostate

WALKING AWAY FROM THE REDEEMER

- God punishes IN HOPE His people will return to Him
- There is NO Scriptural backing to the claim that God will NOT punish His own
- A redeemed person does NOT lose their freedom of choice

JAMES, HEAD OF THE CHURCH

- His only recorded letter to the church is the book of James
- NIV James 5:19 *My brothers, if one of you should wander from the truth and someone should bring him back.....*
- The “brothers” are Believers
- The “death” is eternal death
- The wandering brother is now a “sinner”
- Is he does NOT return to God he dies in his sins

YHWH IS DECLARING WAR ON HIS OWN PEOPLE

- These are REDEEMED people YHWH is attacking
- Israel had mixed the worship of God with other “gods”
- Israel did NOT abandon God in THEIR minds, but to God they did!
- In the NT the “world” = wicked and apostate
- World is “lo-ammi”, NOT my people

OUR LATEST APOSTASY: THE PROSPERITY DOCTRINE

- Gaining wealth is NOT a holy endeavor, nor is it a spiritual scorecard
- The fires of Hell were started by God and are stoked by God for the destruction of His enemies
- **Verse 23** *“I will heap disasters on them....”*
- God will CAUSE the disasters, not simply allow the disasters

THE OTHER SIDE OF THE COIN

- On one side of the “justice coin” is wrath, on the other side is mercy
- Verse 26 says God considered wiping out Israel but did not **OUT OF CONCERN FOR HIS NAME**
- The Lord has a dual purpose for His wrath on Israel:
 - 1) discipline in hopes they return to Him
 - 2) To demonstrate His power to the nations
- The Lord says that if “the nations” had any common sense they would know that it was He who turned Israel over to them
- God will do to those who harmed Israel the same as He did to Sodom and Gomorrah

THE HOLY LAND DETERIORATES WHEN ISRAEL IS IN EXILE

- 1) Lord states what He's done for Israel
- 2) Israel commits adultery against God
- 3) Lord brings calamities against Israel to punish them
- 4) Exile by the hand of an enemy is the culmination of the punishment
- 5) God will now punish the enemy who harmed His people
