

THE PRICE OF SIN IS DEATH

- God showed Adam and Eve this principle
- He allowed the blood of innocent animals to pay for men's sins
- The animal blood was a covering for sin, it didn't get rid of it
- Under that disguise, the sin was still there
- Christ would change all that

KAYIN KILLS HEVEL

- The first RECORDED murder
- The first family was still living in the Land of Eden
- **Kayin** is banished by God to the EAST
- **Nod** = wandering, restless
- **Kol** = anyone, anything, all things
- There were many people on earth by now
- Women were not mentioned due to patriarchal society (male oriented)
- Likely there were more women than men

THE LAND OF NOD

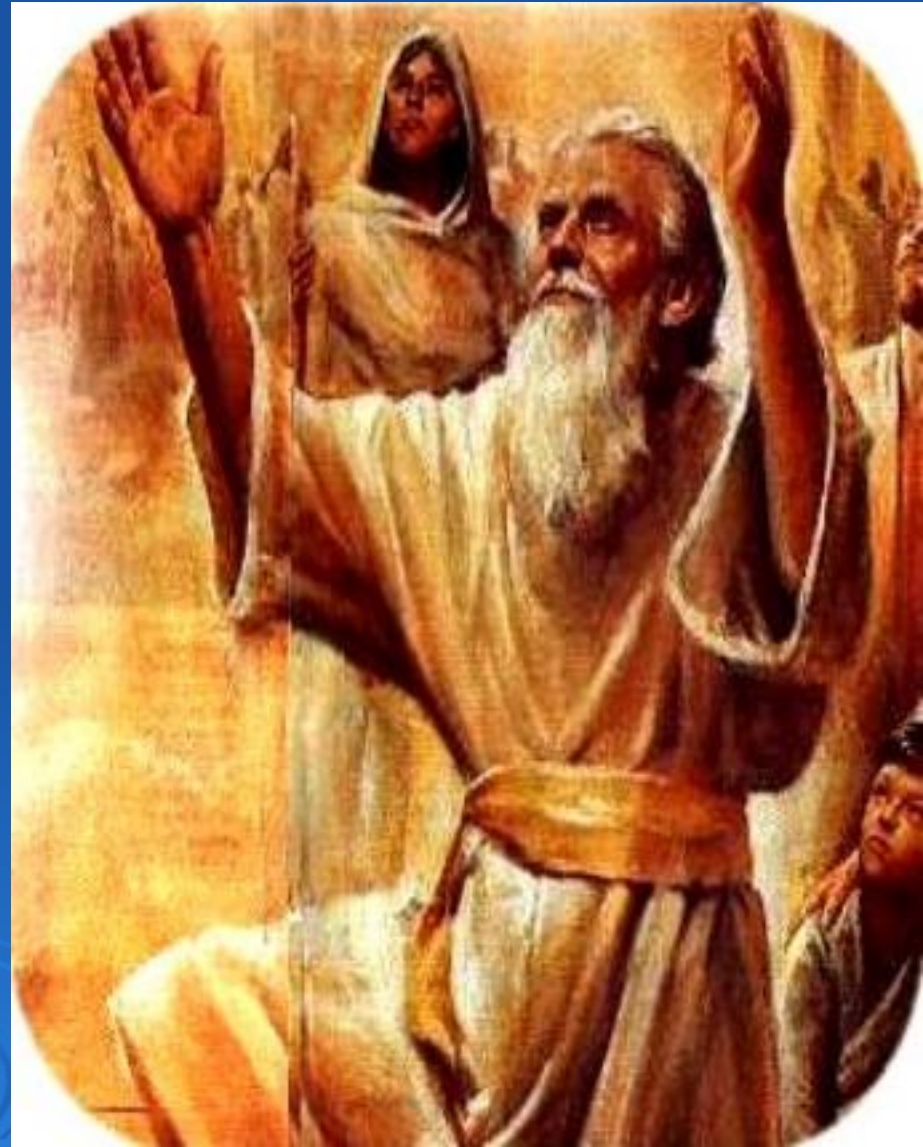

- Nod was east of Eden
- A sign was put onto Kayin
- The verse could read that Kayin WAS a sign
- Nod was to be Kayin's place of sanctuary
- A Sanctuary was a place for a person who killed another to go and be protected

KAYIN IS THE START OF THE LINE OF EVIL PEOPLE

- Evil people are defined as those who turn their backs on God
- **Lamech**, 5th generation from Kayin
- Lamech admits and brags about killing a man
- **Havah** bears another son, **Shet** (Seth)
- **Shet** means compassion, or granted
- **Shet** begins the line of good
- Good people are defined as those who “**call on the Lord**”

GENESIS 5: THE GENEALOGY OF SHET

- Adam 130 years old when Shet is born
- Adam was probably still young when Kayin was born
- Adam and Havah were created as physically mature
- A firstborn is a “status” and by Biblical definition is a male
- Almost for sure the number of women were far more than number of men
- Normal for 15 year old girl to give birth

NOACH WAS OF THE LINE OF SHET

- Enoch live 365 days, equal to the days in a solar year
- Noach's father lived 777 years, completeness
- Noach's 3 sons: Ham, Japheth, and Shem
- Noach was 500 years old when his sons were born
- He would have had many other children before these 3 sons

GENESIS CHAPTER 6

- ***N'filim*** = offspring of “the Sons of God” and the “the daughters of men”
- ***Benei Elohim*** = Sons of God
- ***N'filim*** usually translated as “*Giants*”
- Comes from Greek “gigante”, which means ***fallen, die, cast-down***
- A race of tyrants, mutants, evil beings

WERE N'FILIMGIANTS?

- Tradition became that these “fallen angels” took on human form
- Ancient Hebrews see *N'filim*, “Sons of God”, as the line of good, the line of Shet
- Daughters of Men seen as the line of evil, the line of Kayin
- Therefore evil and good were put into union and pollution was the result

THE LINE OF KAYIN, AND THE LINE OF SHET WERE TO BE SEPARATE

- God's fundamental principle of good being separated from evil
- God eventually separated Israel away from the world to be a nation set-apart for Him
- N'filim likely represent a "type"
People who turn themselves over to Evil
- The source of power for the *N'filim* is Satan
- Types of *N'filim*: *R'phaim*, *Emim*, *Anakim*, *Horim*

THE BIBLICAL PRINCIPLE OF TYPES

- *N'filim* likely died out in the Great Flood
- Later mention is probably of “types”
- *N'filim* may have become a general term for evil rulers, or fierce enemy warriors
- Goliath was from Gath
- Gath was a village ruled by the Anakim (Joshua 11)
- Philistines and Anakim occupied this same territory

- Vs. 3 God's spirit = ***Ruach*** or ***Ruach HaKodesh***. It is that attribute of God that deals with man
- The 120 years is not entirely about men's life spans
- It was also that God was giving MANKIND 120 more years to change from their evil ways or be extinguished

ANOTHER FUNDAMENTAL: *GOD DOES NOT DESTROY THE FAITHFUL ALONG WITH THE WICKED*

- God will NOT pour out His wrath on the righteous
- Yet He does allow bad things to happen to good people
- Allows evil to befall the godly and the godless
- Does not always shelter the godly from persecutions
- But.....will NOT shower His divine judgment on the righteous right along with the wicked
- Tribulation = the pouring out of Man's evil upon other men
- God's wrath = God's supernatural calamities
- The Great Flood is the perfect example of this fundamental at work

THE ARK: A GOD-DESIGNED SAFE HAVEN FOR THE FAITHFUL

- Vs. 9 Noach's story
- *Tzaddik* = righteous
- *Tammim* = whole
- *Shem* = name
- *Melchizedek* may have been Shem (he was still living at that time)
- *Shachath* = ruined

VS. 13 LIVING BEINGS, *NOT SATAN*, ARE BLAMED FOR EARTH'S CORRUPTION

- *Basar* = flesh
- CAN mean any living being, animals included
- *Adam* is usually used for “man” or “mankind”, but it is NOT used here.
- Did God create EVIL? The Hebrews say “yes”, but not in the way we might think of it

THE HEBREW VIEW OF GOOD AND EVIL

- 1) Man was created with both a good and an evil inclination
- 2) God created evil and good at the Beginning
