

PROPHETCY

HOW IT WORKS

- Prophetic fulfillments usually happen more than once, in different eras and in different ways
- Prophetic fulfillments are both a progressive revelation of God's will, but also an unfolding in stages with each time it occurs widening the scope of its effect
- Joel chapter 4 is a series of restoration promises

THE NATIONS

- “Nations” always mean gentile nations
- Joel chapter 4 vs. 1 is a connecting statement that links it to the first 3 chapters
- A divine legal summons to the nations to assemble for war
- This is a Holy War; God caused, God directed

THE GREAT REVERSAL

JOEL
4:15 - 16

- Joel 4:15 – 16 reverses Joel 2:10
- The celestial signs and portents are the same as concerns God's wrath upon both Israel and the nations
- Revelation 6:12
- The Revelation account is essentially the same as Joel's concerning the moon turning dark colored

LUNAR TETRAD PATTERN

LUNAR TETRADS SINCE 1AD RELATED TO THE NATION OF ISRAEL

The purpose of this chart/timeline is to illustrate the pattern of *Lunar Tetrads* since Christ as it relates to Israel's history during these specific periods. Many believe that 1948, the year of Israel's declared statehood is dramatically marking-off a most significant prophetic event in modern history. It pertains to the possible convergence of Biblical prophecy. This period of 2015 in particular could be the start of the eventual fulfillment of the Last 7-Year period 'Week of Weeks' prophesized by the Prophet Daniel. This is only as some interpret End-Times scenarios & of Jesus Christ's 2nd Coming thereafter - 'the Stone' that was rejected by Israel. Christ's Return is prophesized to occur during the last world government that will be in place. Perhaps these *Tetrad patterns* & their historical corresponding events foreshadow the "Final Countdown". Based on the prior patterns, the Tetrad of 2014-15 might see Israel build the 3rd Jewish Temple, then go through similar intense persecution soon thereafter & the Return of the Messiah, Jesus Christ.

There are a total of 8 *Tetrads* since Christ pertaining specifically to Israel's history that fall on consecutive Feasts of Passover & Sukkot. There are & have been Tetrads in other times, but these noted ones have corresponded to key historical events & significance for Israel. The number 8 represents the over & above perfect completion, the first of a new series, thus New Beginnings. It is associated with *Resurrection & Transformation*. Christ rose from the dead on "the first day of the week," or the eighth day. It signifies the beginning of a *New Era* or order or like with Noah when 8 Souls passed through to the New World. Noah, the 8th person stepped out on to a New Earth to commence a New Order of things. Perhaps the Tetrad of 2014-15 will see the fulfillment of the 3rd Temple and the long awaited 'New World Order' that those in power in the world will see to its completion through the economic, military and religious conglomeration of the world.

OBSERVATIONS

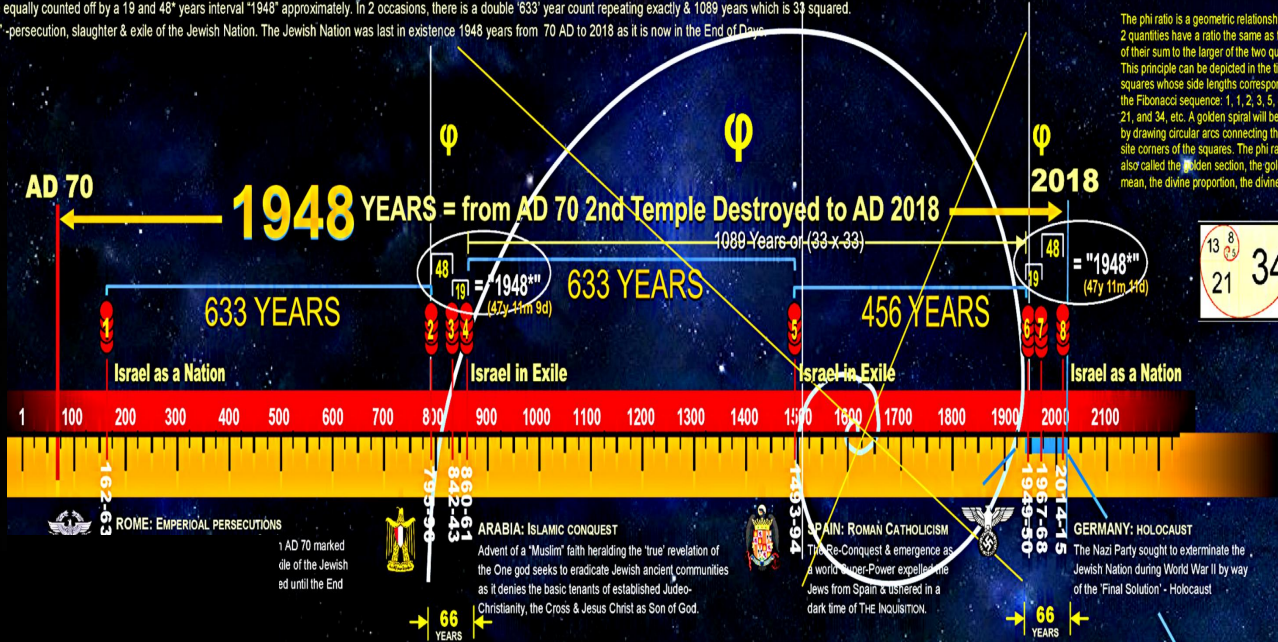

The Lunar Tetrads since Christ on a timeline reveal a unique pattern of years as each occurrence happens to fall on major Hebrew Feast dates. The count is based on the Solar 365 day cycle. The TETRADS from 795 to 1949 approximate a Phi Ratio as the 3 TETRAD clusters of 795-842-860 and 1949-1967-2014.

The span of years has a unique '1948' designation that repeats & corresponds to the years from AD 70 till 2018 & the year that Israel became a nation on May 14, 1948. There are 175 Sabbaths from 795AD to 2015AD.

At the clusters of the 3 TETRADS, on both events, they are equally counted off by a 19 and 48* years interval '1948' approximately. In 2 occasions, there is a double '633' year count repeating exactly & 1089 years which is 33 squared.

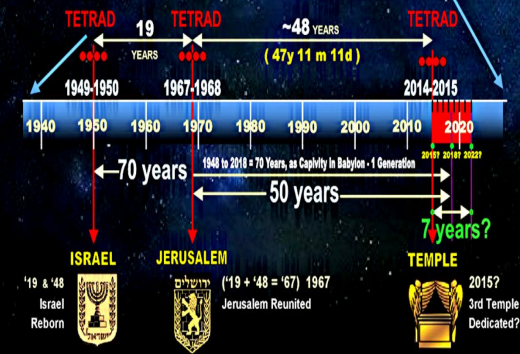

The seasons are marked by "Tribulation" -persecution, slaughter & exile of the Jewish Nation. The Jewish Nation was last in existence 1948 years from 70 AD to 2018 as it is now in the End of Days.

The phi ratio is a geometric relationship when 2 quantities have a ratio the same as the ratio of their sum to the larger of the two quantities. This principle can be depicted in the tiling of squares whose side lengths corresponds to the Fibonacci sequence: 1, 1, 2, 3, 5, 8, 13, 21, and 34, etc. A golden spiral will be created by drawing circular arcs connecting the opposite corners of the squares. The phi ratio is also called the Golden section, the golden mean, the divine proportion, the divine section.

795-796	Passover	Tabernacles
842-843	Passover	Tabernacles
860-861	Passover	Tabernacles
1493-94	Passover	Tabernacles
1949-50	Passover	Tabernacles
1967-68	Passover	Tabernacles

DESTROYING THE MYTHS OF THE BLOOD MOONS

- Lunar eclipses are on full moons
- Of the 8 previous Lunar Tetrads, only on 1 was there any significant event involving Israel
- Lunar eclipses on Feast days do NOT turn the moon to blood-red
- Sir Isaac Newton: biblical prophecy is not a crystal ball to tell the future

The Hope of the
Restoration
of Israel

- Vss. 18 through end of Joel draw a contrast of what happens to the nations vs. what happens to Israel
- Joel 3:5
- “At that time” = pouring out the Holy Spirit which ushers in the Day of the Lord
- The Day of Yehoveh is not a one day event

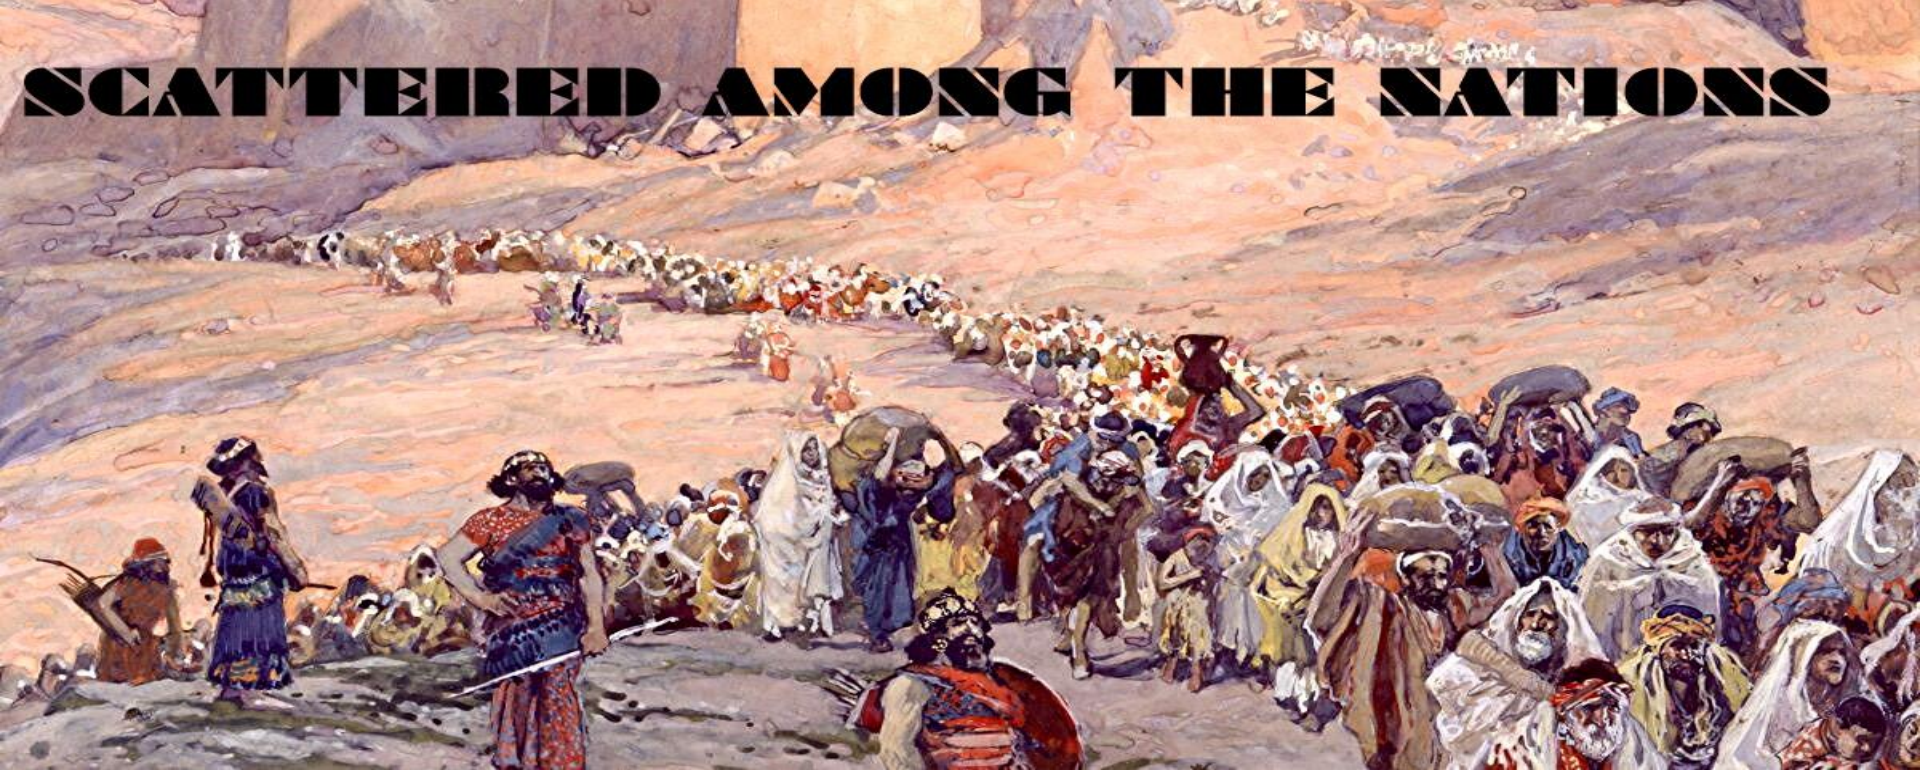

THE VALLEY OF JEHOHAPHAT

Major
Battle
Scene

- God will cause something to happen to bring the collective world's will against Israel
- "Yehoveh has judged"
- Probably not the Kidron Valley
- May not be the formal name of a place, but rather an expression (like the valley of despair)
- Will any nation be spared?

SCATTERED AMONG THE NATIONS

- God is punishing the nations for specific violations of the Covenant of Moses
- Kidnapping brought with it the death sentence
- Exodus 21:16
- To Yehoveh, the land and the people are organically connected

THE TWO-STATE SOLUTION

- Do NOT support the two-state solution from the Oslo Accords!
- This is an abomination before God
- Dividing God's land and giving some to Israel's enemies is an offense of the highest order
- Vs. 4 Philistia and Phoenicia equally responsible as all other nations for oppression against Israel

“What are you to Me?”

- Kiel and Delitzsch *“ye have neither cause to avenge yourselves upon Me nor occasion to do harm...”*
- This part of the prophecy is probably talking about the conditions of the 4th century B.C.
- Modern Philistia is Gaza, and modern Phoenicia (Tyre and Sidon) are Lebanon
- The End Times political map is like to change
