

EARTH

HEAVEN

OUT OF HARMONY

- Revelation 12:10 – 12 is a song from Heaven
- The central theme of the song from Heaven is that Heaven and earth are out of harmony with each other
- Heaven is rejoicing
- The earth is groaning under Satan's rage

the Living Torah

- We have been commanded to obey the Torah by Christ in Matthew 5:17 – 19
- NOT Moses's laws, but rather God's laws given to Moses
- Many visible proofs that the Universe is one of order and not chaos
- Science no longer has a place for God, but admits that the Universe is precisely structured
- Since mankind has free wills, it was necessary for God to give us a guide to live in harmony with His created Universe and with Him

THE LAW OF MOSES IS OUR OWNER'S MANUAL

- Auto created in a careful, purposeful, synchronization
- Autos do NOT adapt to us; we adapt to them
- Some people read their manuals
- Other people assume they can intuitively know how to operate their auto
- When we fail to consult our "owner's manual" we can improperly use God's creation at times

THE MOMENT OF CHANGE

- Mankind has walked further and further away from God's laws
- Rev. 12:10
- The leadership of the earth changes from Satan to Yeshua
- The standard for behavior will be the Torah (Law of Moses)
- Even the Temple sacrifices will be reinstated (Ezekiel)

"the least and the greatest in the kingdom"

SATAN SEEKS PAYBACK

- Rev. 12:11 Christ's sacrifice + Believers' witness the reason Satan has now lost
- The woman symbolizes Israel (not Mary) because this is a future event
- Wings of an eagle symbolic like the Exodus
- Ex. 19:4
- Deut. 32:10 - 12

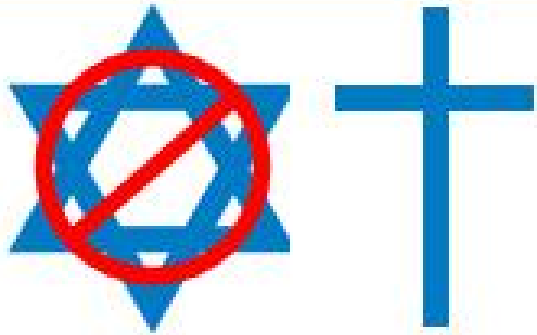

SATAN TRIES TO DESTROY ISRAEL

- The woman (Israel) will be nourished physically and spiritually in the desert
- Israel will be protected for 1260 days (a time, times, and half a time)
- Satan spews water from his mouth to try to kill Israel
- Could refer to a great flood, or lies and slander or some other means of destruction
- A word play on the word “mouth”

WHO IS ISRAEL?

- Christians generally see the woman as Believers
- An offshoot of this doctrine sees the Jews who flee as Messianic Jews
- The fleeing Jews are Jews living in Israel
- They are a mix, but only some will flee and others won't
- Since Satan couldn't reach the fleeing Jews, he now goes after another group of people

TO LOVE GOD IS TO OBEY GOD

Jeremiah 7:21-24

- Who are Believers that “obey God’s commands”?
- God’s commands = Law of Moses
- Most modern Christians believe that the Law of Moses is “dead and gone”
- The other group the Devil goes after is a mix of Jewish and gentile Believers who acknowledge Torah as still relevant and do their best to follow the Law of Moses

REVELATION 13

- John's Apocalypse is fully dependent on Old Testament Prophets, especially Ezekiel and Daniel
- Satan operates primarily through deception
- The Dragon watches as the Sea Beast emerges from the water
- Sea Beast looks much like the Dragon, both having 10 horns and 7 heads

- Sea Beast comes first, later the Land Beast
- The Devil is mimicking the unity of Father, Son, and Holy Spirit with himself plus the sea and land beasts
- Father, Son and Holy Spirit can be spoken of individually, have different purposes, but all are “God”
- It is the same with the Dragon, Sea Beast, and Land Beast.....all are “Satan” but with different purposes

DANIEL 7 BEASTS vs. REV. 13 SEA BEAST

- Both arise from the sea and are essentially the same
- John's Sea Beast is a hybrid or composite of Daniel's 4 beasts
- The total number of heads and horns on Daniel's 4 beasts = the total number of heads and horns on John's Sea Beast

WHICH IS THE ANTI-CHRIST?

OR

- Most Bible commentators see the Sea Beast as the Anti-Christ
- Other commentators and Early Church Fathers see the Land Beast as the Anti-Christ
- The Dragon is positively identified in Revelation 12 as Satan (the Devil)
