

the Four Elements

EARTH

WATER

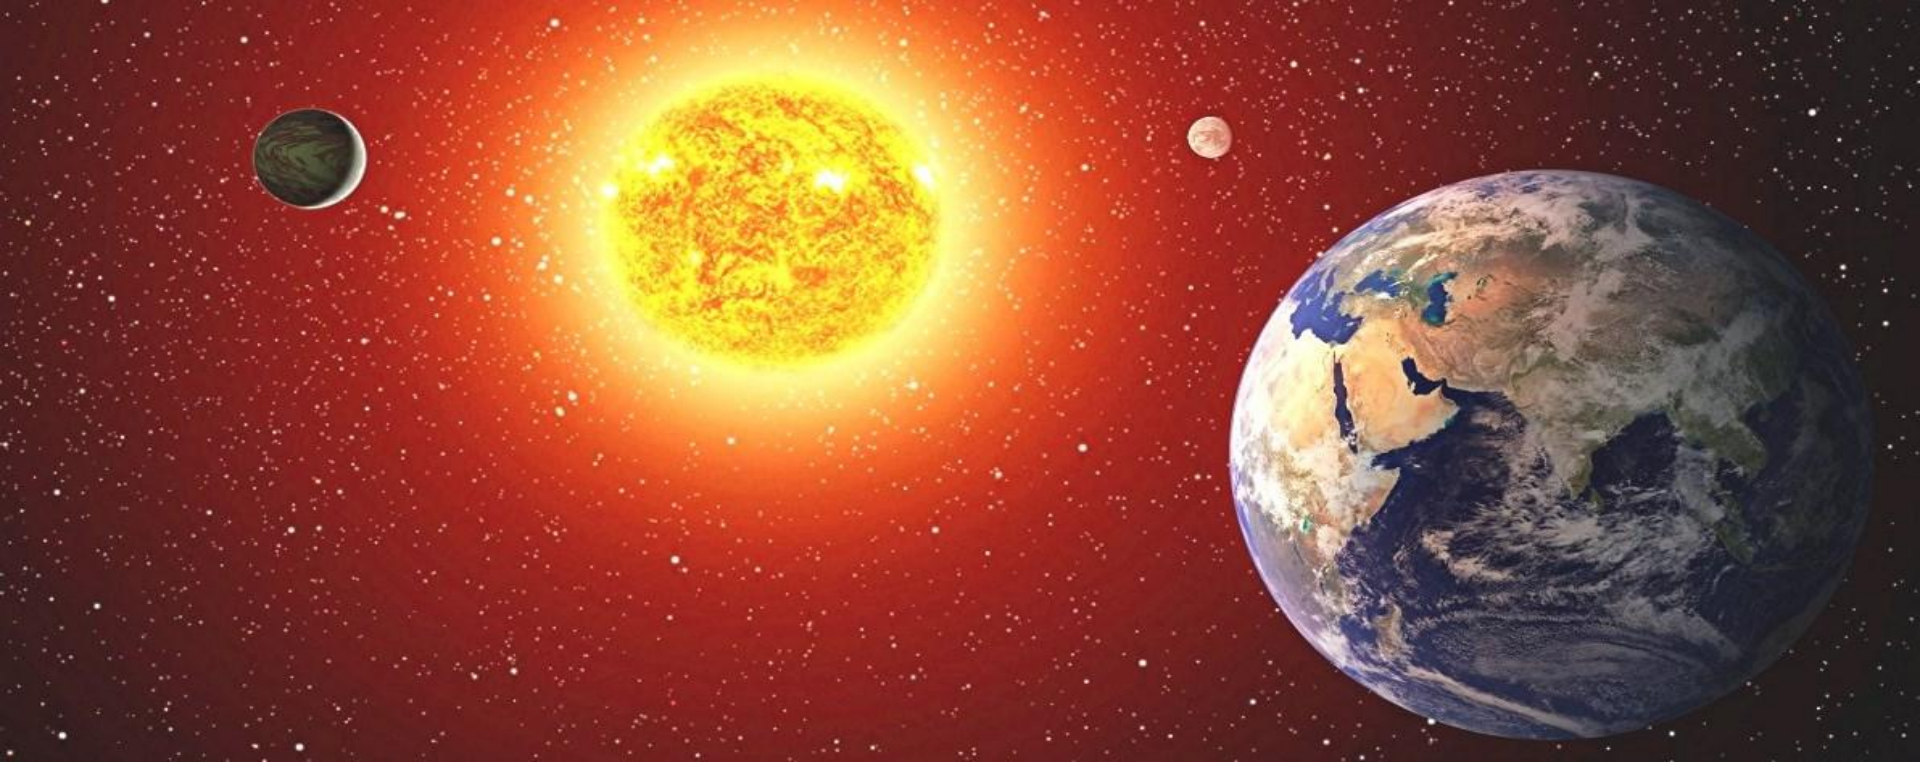

AIR

FIRE

- Revelation 16:1 - 9 earth, water and fire have been targeted
- When all 7 Bowl Judgments have happened all 4 elements will have been attacked
- John's vision was given to him in terms of his day
- The meaning is that everything that forms the basis to support human life is being afflicted by God
- The bulls-eye of His wrath is mankind

- Earth is the “just right” Goldilocks planet for humans
- Everything is in the right ratios, proportions, distances, and quantities to fulfill its purpose of sustaining human life
- The purpose of humans is to glorify God
- Ecc. 12:13 - 14

THE FINAL SEPARATION

UNREDEEMABLE

REDEEMED

- Those who do NOT glorify God have not achieved their purpose for existing, so they will be terminated
- Romans 1:20 – 25
- God is systematically separating the human population into the unredeemable and the redeemed
- God is not angry with the created things; He is angry with rebellious humans

5TH BOWL "THRONE OF BEAST"

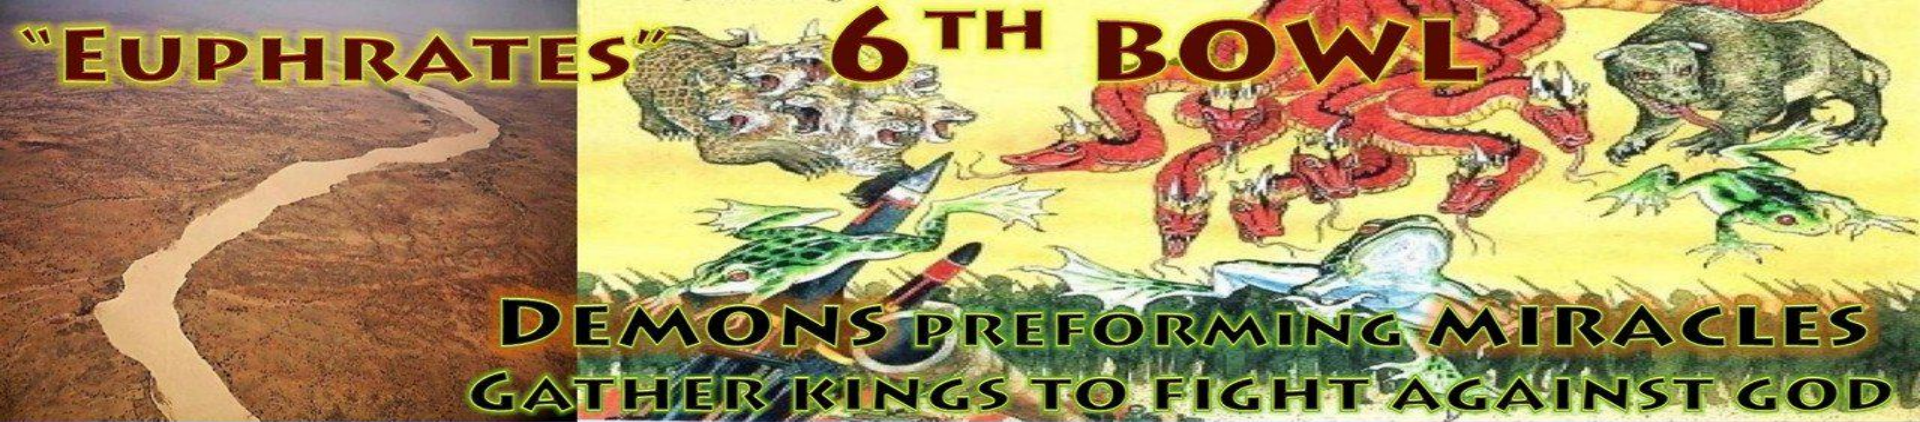

KINGDOM PLUNGED INTO DARKNESS

- The Beast is Anti-Christ, the Kingdom of the Beast is people..... unrepentant mankind
- **Skotoo** = dark, used metaphorically as blind, evil
- Exodus 10:21 - 23
- **Chosek** = spiritual deception, blindness
- God sealed the 144,000 to protect from darkness and lies
- God has now "sealed" the unredeemable from knowing truth

GNAWING THEIR TONGUES IN PAIN

- *Massaomai* = gnawed
- Job 30:1 – 4
- To turn = repent
- Repent means to actively change paths
- People still did not repent and instead cursed God
- Irrational response as with Pharaoh in Egypt
- Caused by spiritual darkness
- The effects of the 5 Bowl Judgments (so far) are global

ARMEGEDDON

- Rivers have always been barriers, and also serve as boundaries
- Above the Euphrates, to the north and east, were nations considered enemies to Israel
- East is an important direction in the Bible
- God drying up waters has happened both for judgment and as an aid to His people

UNCLEAN FROG SPIRITS

- Not actual frogs
- They personify falsehood and deception
- Frogs are unclean as declared by the Law of Moses
- False Prophets often in relation to Israel or Christ followers
- The False Prophet will target Christians and Jews
- Matthew 15:7 – 9

CHANGE CAN BE SLOW AND INVISIBLE

- False Prophet will use the Church's openness to new doctrines that please members
- Interfaith movement is growing their base of religious people who accept that all religions and their holy books are equal
- The stage is already set for the Anti-Christ and False Prophet to quickly gain traction
- Doctrines of convenience and acceptance have replaced our biblical compasses

HAR MEGIDDO

- The entire world will contribute troops to the coming battle
- Battle is called the Great Day of God
- The Lord will win, just as with the battle in Heaven in Rev. 12
- Armageddon is an English-ized version of the Greek
- Tel Megiddo has about 25 layers of past civilizations

A REAL WAR, WITH REAL TROOPS

- A vast army of the Anti-Christ will not think they're coming to fight ghost-like souls of martyred Christians or legions of angels!
- All End Times scenarios revolve around Israel
- War of Armageddon will be between the armies of the Anti-Christ and the nation of Israel probably including Believers who join the fight

THE ARMAGEDDON SCENARIO

- 1973 Yom Kippur War
- Surprise attack nearly ended Israel
- If defeat was inevitable Israel decided they'd take the world with them by using the Atom Bomb
- This mindset of “never again the ovens” still exists among many in Israel today
