

- Babylon represents all that is evil
- Babylon is a system of multiple entities
- The spirit of Babylon has existed throughout the ages
- Prophets wrote about Babylon long before John's visions
- The Book of Jude speaks about Babylon although it doesn't use the name

THE BOOK OF JUDE

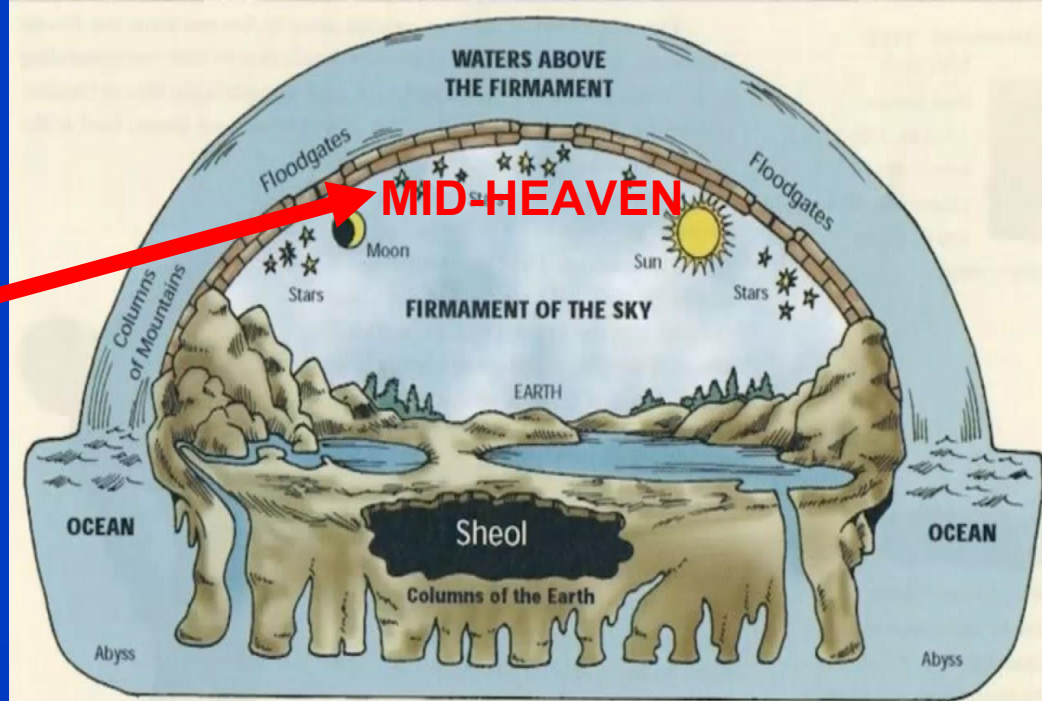

BE ON GUARD!

- Within the faith there will be those who cause divisions, argue and dispute, and have no understanding of the truth
- 1) Rebuke and do not tolerate them!
- 2) For others, try to save them from the wrong path they're on
- 3) For some, show mercy but do not accept or rationalize their behavior to win them back
- 4) Get out of her My people, when the organization is corrupt

- On the day Christ returns, it is the end of salvation for those who have not believed
- Christ comes as a lion, to judge
- He will rule with an iron rod, meaning the rule of law will be unbending and without tolerance for sin
- The law will be the Torah.... The Law of Moses
- Matthew 5:17 – 18
- A new heaven and earth Revelation 21:1

- Christ is God's instrument of rage
- Angel calls out from Mid-Heaven to the birds to come to feast
- The people who die represent every class of society and every culture
- A dead body not being buried was an insult and shameful
- The scavenger birds will do a needed job that will benefit the survivors

BATTLE OF ARMAGEDDON

- The defeat of the nations is assured
- No mention of living Believers involved in the battle
- Christ and those from Heaven will intervene making it a short battle
- Ezekiel 39:1 – 22
- Gog and Magog are still in the future
- They believe they're coming to fight Israel

ISRAEL'S ROLE COMES AFTER

- No mention of victory by Israelis or any other human soldiers
- The Beast and False Prophet are not killed, but captured
- False Prophet was the leader of the Church of Babylon, which became the Church of the False Prophet
- If Believers KNOW the Word of God, they will NOT be deceived!!

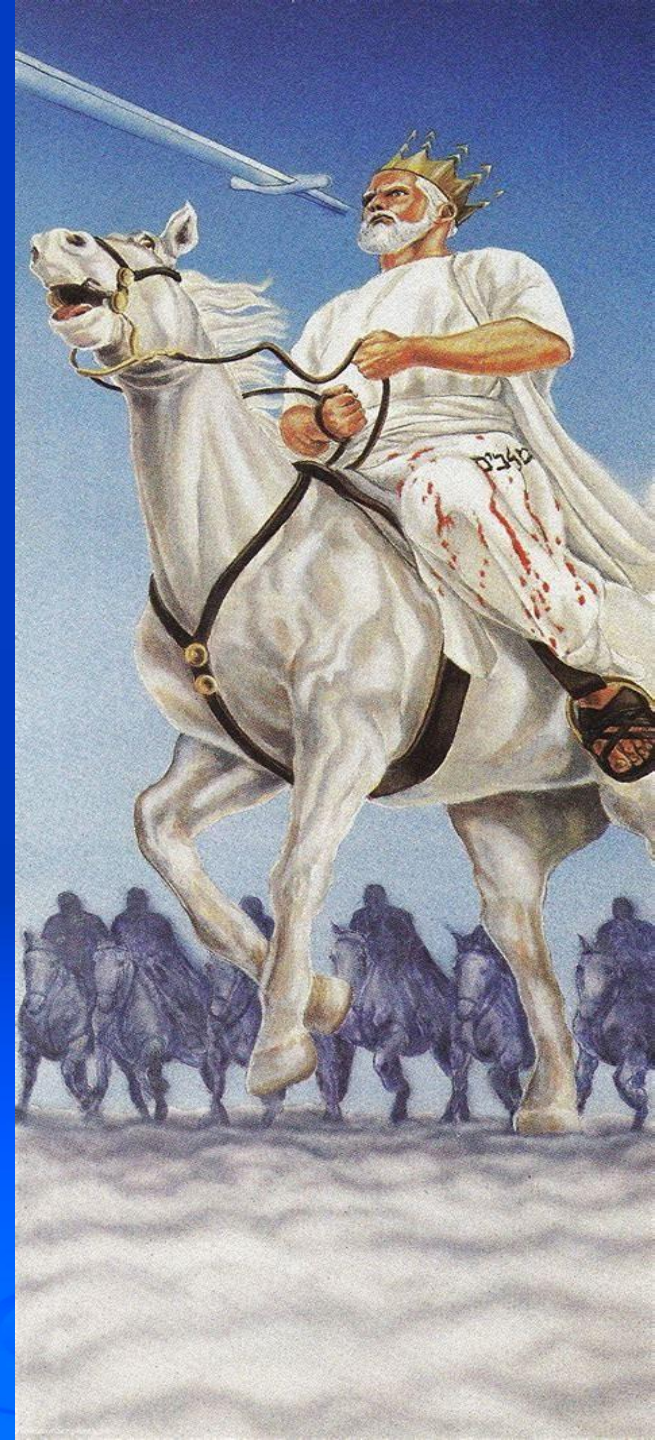

LAKE OF FIRE

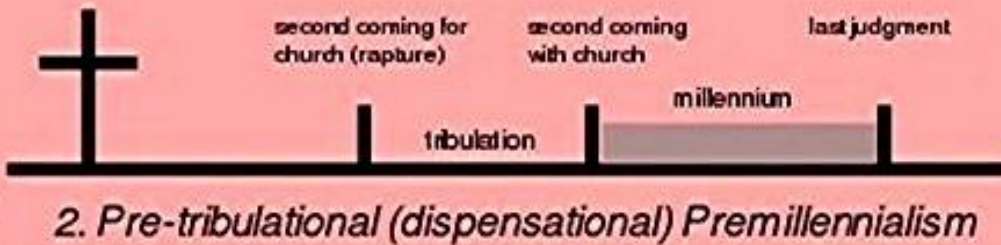

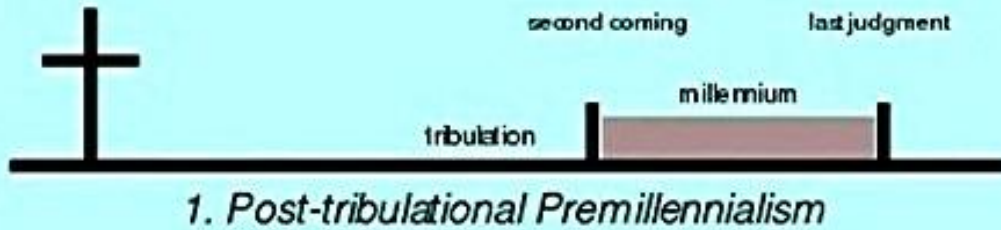

- Two theories on the Lake of Fire
- 1) Body and Soul annihilated
- 2) Soul lives on in torment eternally
- Rev. 20:10
- Second theory seems to agree with the Bible
- First theory exists mostly because of Doctrines that cannot accept God making a person suffer eternally

HEAVEN'S FORCES DEFEAT THE BEAST

- The army of the Beast was NOT defeated by military means, but by the sword that goes out of the mouth of the rider
- The sword is symbolic of the Word of God that divides, elects, and separates
- Mention again of the birds eating the flesh of the dead is to show that no mercy whatsoever is given to the unrepentant sinners who died at Armageddon

REVELATION CHAPTER 20

- “The Continental Divide of Scripture”
- We will proceed under the Pre-Millennial view
- Does NOT mean the acceptance of Dispensationalism or other denominational doctrines

- God has bound up Satan & his henchmen
- Adversary can no longer deceive the nations
- Believers no longer in mortal danger
- The Millennial Kingdom is distinct from the New Heaven and Earth of Revelation 21
- Millennium is a finite 1000 years
- New Heaven and Earth are infinite
